

The Secret Covenant

Cartels controlling the world

Jon Rappoport

<http://www.nomorefakenews.com>

The planet is being controlled, to an alarming extent, by elites, or, as I call them, cartels. There are many cartels, but seven are the most powerful. They evolve, they learn from one another, they both compete and co-operate. Unfortunately, the trend is more towards co-operation. These seven cartels represent the following areas: GOVERNMENT, MILITARY, INTELLIGENCE, ENERGY, MONEY, MEDIA, AND MEDICAL.....

I came to this map of cartels through my own research on the medical monopoly. That's where it started, in 1986. .. Once you understand these cartel elites, you can begin to separate out information into loose layers of importance, as in, which layer of the control game are we talking about? Because it's all about layers. And at most layers, the players are forwarding agendas which they do not realize fit into higher and more destructive agendas.

Definition of cartel

By Edward Griffin

http://philologos.org/bpr/files/Misc_Studies/ms060.htm

I need to define that word so that you will know what I mean when I use the word cartel. It is a group of independently owned businesses which come together for the purpose of reducing or eliminating competition between themselves to enhance their profit margin or to secure their positions in the market. They do this by various means, one of which is price fixing--no competition on price.

There are other means. If we were forming a cartel here I might insist that I get the north and you can have the south and we won't compete. Or I would say I'll produce the gizmo and you can have the widget and we won't compete or we'll share patents and processes and whatever we do we agree to eliminate competition between ourselves. The more layers of agreement that we put one on top of the other, the more we become encased in this cartel structure and we become as one insofar as the market is concerned even though within that grouping we are separately owned.

Insurance companies act as "gatekeepers"

Pixley

<http://www.whale.to/p/pixley.html>

Insurance companies are cost plus providers which, have no incentive to reduce costs. They act as "gatekeeper" and for their role in the monopoly will not pay for any treatment which comes from outside the cartel. This nation is coming to understand this horror is a result of complacency as well as collusion between government agency, pharmaceutical interests and institutional medicine and its powerful financial influence over nearly every facet of the worldwide bureaucracy and mass media.

The money illusion

<http://www.nomorefakenews.com/archives/archiveview.php?key=1459>

Jon Rappoport

There are eight basic areas of control on the planet, eight basic cartels. GOVERNMENT, MONEY, MILITARY, INTELLIGENCE, ENERGY, MEDIA, MEDICAL,

ORGANIZED RELIGION. There are also lesser cartels. If you lump together the most powerful trans-national corporations, you could call that a ninth cartel.

These cartels have many things in common, and they do co-operate. One shared common feature is THE TELLING OF STORIES, OF MYTHS, like the myths I have described in this article.

Myths most people accept as reality.

Backgrounder four: the structure of the cartels

Jon Rappoport

August 28, 2003

<http://www.nomorefakenews.com/archives/archiveview.php?key=1031>

As I've written, there are eight major cartels that run the world. They control eight specific areas: GOVERNMENT, MONEY, MILITARY, INTELLIGENCE, ENERGY, MEDIA, MEDICAL, AND ORGANIZED RELIGION. Are these cartels static? Are they carved in stone?

No. They are evolving organic entities.

They were born, one might say, because certain very heavy hitters realized that, if power over these areas could be coalesced, and if these eight groups then co-operated, the planet would be theirs.

EVANGELICALS AND GLOBALISTS TOGETHER

<http://www.balaams-ass.com/journal/prophecy/evanglob.htm>

The Illuminati are the top echelon of a vast network of organizations which make up a Secret Brotherhood covering the globe. Within this network are found six major divisions: Banking & Money, Secret Societies, Political, Intelligence, Religions, and Education. The Secret Societies encompass the elite Priory of Sion, the Rosicrucians, the Orders of Freemasonry, Skull & Bones, the Grand Orient Lodge, the Grand Alpina Lodge, the Knights Templar, the Royal Order of the Garter.

THE SECRET COVENANT

<http://user.pa.net/~drivera/fwappa.htm> /

<http://www.unveilingthem.com/SecretCovenant.htm>

An illusion it will be, so large, so vast, it will escape their perception.
Those who will see it will be thought of as insane.
We will create separate fronts to prevent them from seeing the connection between us.
[cartels or perhaps, more likely secret societies]
We will behave as if we are not connected to keep the illusion alive. Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

We will always stand above the relative field of their experience for we know the secrets of the absolute.
We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks.
We will keep their lifespan short and their minds weak while pretending to do the opposite.
We will use our knowledge of science and technology in subtle ways so they will never see what is happening.

We will use soft metals, aging accelerators and sedatives in food and water, and also in the air.
They will be blanketed by poisons everywhere they turn.
The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

The poisons will be absorbed through their skin and mouths, and they will destroy their minds and reproductive systems.
From all this, their children will be born dead, and we will conceal this information.
The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.

We must be ingenious in dispensing the poisons for they can see far.
We will teach them that the poisons are good, with fun images and musical tones.
Those they look up to will help. We will enlist them to push our poisons.
They will see our products being used in film and will grow accustomed to them and will never know their true effect.
When they give birth we will inject poisons into the blood of their children and convince them it's for their help.

We will start early on, when their minds are young, we will target their children with what children love most, sweet things.
When their teeth decay we will fill them with metals that will kill their mind and steal their future.
When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

We will render them docile and weak before us by our power.

They will grow depressed, slow and obese; and when they come to us for help, we will give them more poison.

We will focus their attention toward money and material goods so they may never connect with their inner self. We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all.

Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives. We will use fear as our weapon.

We will establish their governments and establish opposites within. We will own both sides.

We will always hide our objective but carry out our plan.

They will perform the labor for us and we shall prosper from their toil.

Our families will never mix with theirs. Our blood must be pure always, for it is the way.

We will make them kill each other when it suits us.

We will keep them separated from the oneness by dogma and religion.

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions.

When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

We will make them rip each other's hearts apart and kill their own children.

We will accomplish this by using hate as our ally, and anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers. They will be busy killing each other.

They will bathe in their own blood and kill their neighbors for as long as we see fit.

We will benefit greatly from this, for they will not see us, for they cannot see us.

We will continue to prosper from their wars and their deaths.

We shall repeat this over and over until our ultimate goal is accomplished.

We will continue to make them live in fear and anger through images and sounds.

We will use all the tools we have to accomplish this.

The tools will be provided by their labor.

We will make them hate themselves and their neighbors.

We will always hide the divine truth from them, that we are all one. This they must never know!

They must never know that color is an illusion; they must always think they are not equal.

Drop by drop, drop by drop we will advance our goal.

We will take over their land, resources and wealth to exercise total control over them.

We will deceive them into accepting laws that will steal the little freedom they will have.

We will establish a money system that will imprison them forever, keeping them and their children in debt.

When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.

We will use our media to control the flow of information and their sentiment in our favor. When they shall rise up against us we will crush them like insects, for they are less than that.

They will be helpless to do anything for they will have no weapons.

We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.

The recruits will be called "initiates" and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us never knowing the truth. They must never learn this truth for they will turn against us.

For their work they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and [travel the stars](#).

They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.

The truth will be hidden in their face, so close they will not be able to focus on it until it's too late.

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

When all is in place, the reality we will have created for them will own them. This reality will be their prison. They will live in self-delusion.

When our goal is accomplished a new era of domination will begin.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out they are our equal, we shall perish then. This they must never know.

If they ever find out that together they can vanquish us, they will take action.

They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant must never, ever be known to exist. It must never, ever be written or spoken of, for if it is, the consciousness it will spawn will release the fury of the prime creator upon us, and we shall be cast to the depths from whence we came and remain

there until the end time of infinity itself.

This covenant is sealed by blood, our blood– We, the ones who from heaven to earth came.

(with added details of THE ONLY WAY to DEFEAT the NWO and bring True and Lasting Peace and Justice to Planet Earth)

*The original letter (in plain text) was received from an American contact and has not been altered in any way, it purports to come from a New World Order elitist. All notes and references in italics have been added later.

Dearest Citizen of the World,

I believe the time has come to reveal to you some of the perplexities you have faced in recent decades. It is well for you to understand some of these things so that you might know how to behave in the New Order now taking shape on the earth. We want you to

be able to become fully involved and integrated into our new society. After all, this is for your best interest if you will do.

First of all, it is well that you understand some of our purposes so that you may more fully co-operate. I cannot tell you the hard times you will face if you resist us. We have ways of dealing with resisters. I am only telling you this now, since it is much too late to turn things around. The days of putting a stop to us have long since past. We have full control of the earth and its finance, along with the major media propaganda, and there is simply no way any nation or power can defeat us.

We have eyes in every level of government in every nation of the world. We know what is being planned, for our ears and eyes are ever present.

State secrets are fully known to us. China recently accused the media in the U.S. of lying about Kosovo. Oh, you silly people, of course we lie*. In this way we can keep the people unbalanced and always facing controversy which is very helpful to us. Have you not seen the talk show spectacle? Some of you believe we are the liberals and the good people are the conservatives. In reality, both serve our purposes. Each camp merely serves with the stamp of our approval but they are not allowed to present the real issues. By creating controversy on all levels, no one knows what to do. So, in all of this confusion, we go ahead and accomplish what we want with no hindrance.

Consider the President of the United States. Even though he regularly breaks every known check on his power, no one can stop him. He goes ahead and does whatever we want him to do anyway. The Congress has no power to stop him.

He does what we want since he knows if he does not, because of his rather dark character, we can have him removed in a moment's time. Is not that a rather brilliant strategy on our part? You cannot take us to court because you can't see us and the courts are our servants as well. We run everything, yet, you do not know who to attack. I must say this hidden hand is wonderfully devised and without any known historical precedent on this scale. We rule the world and the world cannot even find out who is ruling them.

This is truly a wonderful thing. In our media we present before you exactly what it is we want you to do. Then, as if in a flash, our little servants obey. We can send American or European troops to wherever we like, whenever we like, and for whatever purpose we like, and you dutifully go about our business. How much more evidence do you need? We can make you desire to leave your homes and family and go to war merely at our command. We only need to present some nonsense to you from the president's desk or on the evening news and we can get you all fired up to do whatever we like. You can do nothing but what we put before you.

YOUR VAIN RESISTANCE

When any of you seek to resist us, we have ways of making you look ridiculous as we have done with your militia movement. We have delighted to use this movement to show the world how impotent any resistance is. They look so silly marching around with their guns as if they were some match for our military. Look at what we did near Waco. Did the Davidian's little store of weapons help them? We have generously taxed you and used that money to make such sophisticated weapons you can in no way compete. Your own money has served to forge the chains we bind you with, since we are in control of all money.

Some of you think you may escape by buying some land in the country and growing a garden. Let me remind you that you still pay us ground rent. Oh, you may call it property taxes, but it still goes to us. You see, you need money no matter what you do. If you fail to pay your ground rent to us, we will take your land and sell it to someone who will pay us. Do you think we cannot do this?

And with your ground rent we pay for the indoctrination of your children in the public schools we have set up. We want them to grow up well trained into the system of our thinking. Your children will learn what we want them to learn, when we want them to learn it, and you pay for it through your ground rent.

Those funds are also used for other projects we have in mind and our contractors are paid handsomely for their work. You may doubt that we own your children, or have such control, but you will find that we do. We can declare that you abuse your children when you spank them and have them confiscated.

If they do not show up for school indoctrination, we can accuse you of neglect, thereby, giving them to us. Your children are not yours. They are ours. You must inoculate them, you must bring them to our hospitals if we decree or we will take them from you. You know this and we know this.

Through our electronic commerce we are able to see where you are, what you are buying and how much you have to buy things with. Where do you suppose we come up with our monthly financial statistics? Through the Internet and other sources we can even know how you think and what you say. It is not especially important to us what you believe as long as you do what we say. Your beliefs are nonsense anyway*. But if you think you have a following, and we perceive that you might be somewhat dangerous to our agenda, we have ways to deal with you.

We have a Pandora's box of mischief with which to snare you. We can have you in court so long you will never get out. We can easily drain away all your assets over one pretext or another. We have an inexhaustible fund with which to draw from to pay our lawyers. These lawyers are paid by you in the form of taxes.

You do not have this vast supply of wealth. We know how to divide and conquer. Have we not brought down rulers of countries through our devices? Do you think your tiny self will be any match for us?

YOUR VAIN ORGANIZATIONS

And, let us consider your religions and the "moral majority." The "moral majority" is neither moral nor is it in the majority. We have delighted to use this wet noodle of a movement to make ridiculous the Christian faith. The silly men who run that organization always end up with egg on their faces. We have always put them in defense of themselves as we have so successfully done with the NRA. We can make it seem by our media propaganda that the National Rifle Association is actually the New Radical Attackers.

Have we not turned the American conservative movement on its ear? If it serves our purposes we can use the conservatives to turn the liberals on their ear. It makes no difference to us but it serves to make you believe there are two sides struggling for their particular position. This helps to make things seem fair and free since everyone has a voice. Actually, there is only one side now with all kinds of masks on, but you are unable to penetrate our purposes.

You see, we can do whatever we like and you can do nothing about it. Does it not seem reasonable that you simply obey and serve us? Otherwise, you get eaten up in the resistance you suppose will liberate you.

You cannot be liberated. Imagine how you can. We supply your fuel for your cars. We can turn it off whenever we like claiming that there is some sort of fuel shortage. What if your car breaks down? You cannot get parts for it without us. We supply all the money you use. At any whim of our desire we can stop the money supply or cause a complete crash all together. We can then order the president to declare all money worthless and that we will have to have new money. All of your stashes of cash will go up in smoke in a moment's time.

Don't you need food? If necessary, we can cause a trucker's strike which would stop deliveries of food to your local store. We can starve you whenever we like. You only have food because we have provided it to you from our table.

During the great depression we controlled the food. We heaped mountains of food behind fences and let it rot. The hungry were then made to work in our labour camps even though there was enough and more to feed them. Do you really think you can beat us? You say you will hoard gold coins so you will still have money in the time of the crash. We can simply pass a law which outlaws the possession of gold as we have done in the past. If we find gold in your possession, we would simply confiscate it and put you in prison for breaking the law.

While in prison you would be required to work in one of our prison industries. We have so formed a picture of the labour camps in our prisons these days that no one seems to object to them. We tell people that murderers should pay for their own keep.

No one seems to consider that we have the power to put tomato growers there also. We can pass laws that prohibit gardens and then make up some scientific reason why you may only buy food from our sources. If someone sees you growing tomatoes, they will report you to us and then we will have you in our fields working for us. Oh, silly nationalists, there is no escape for you, for since long before you were born, we were planning your capture. Your teachers and ministers have been forming your thoughts for us for generations now. You have no idea how to pull out of our influence short of suicide. Go ahead and commit suicide, it will only help us to deal with the excessive population. You cannot hurt us, find us, or even imagine what we are up to.

I am throwing you these few crumbs only so that you may, if you have a little good sense, obey and follow our orders.

YOUR CONTROLLED MIND

We run Hollywood. The movies such as Terminator and Armageddon, along with a great host of others, were simply created to get you thinking according to our directions. You have been made to delight in violence so that when we send you off to kill some bad man we have put before you, you move without a whimper.

We have placed violent arcade games in your malls to prepare your young minds in the art of battle. We have made you to view our armies and police as the good forces and you submit to things that were unthinkable just a few decades ago. Our artful programs, are all designed to help you submit and even help the New World Order.

Star Trek, and other such creations, have taught you to simply obey orders from the new international rulers. Oh, silly people, you thought you were being entertained, while you were actually being educated. Dare I use the words, "brainwashed" or "mind control?" By the way, have you seen the new Star Wars?

What a masterpiece of mental manipulation. Humans confer with nondescript beasts of all shapes and sizes and they confer in English. I wonder where those space beasts learned English. Oh, the simpleness of the mind of the citizen. He never considers he is being taken into fairyland. We have placed advertisements for Star Wars almost everywhere you go. You will find them in Wal-Mart, K-Mart, Taco Bell and a host of our institutions of commerce. There is something we want you to learn from this movie. Or, perhaps it could be said, there is something we do not want you to learn, from Episodes 4-6. Either way, we will have what we want in the whole affair.

Of course, to keep you off guard we have instructed our elected officials to appear to be correcting the evil of our violence. President Clinton is now speaking against violence in Hollywood movies. This will not solve the problem, but will only make the people believe the problem is being worked on. Sex and violence are the very best powers to use to help us gain our advantage. How the people loathe to give up their sex and violence, so we place all they want before them. In this way, we keep them so occupied they do not

have the integrity or brain power to deal with the really important matters which are left entirely in our hands. President Clinton has been very helpful to us. We knew of what character he was before we placed him as president. Exposing him was very helpful in adjusting the moral habits of the youth downward. This is to our advantage.

Even more agreeable to us were the vain efforts of those who thought they could remove him against our will. He is useful to us and he will not be removed by anyone until we are ready to have him removed. Excuse me if I seem to be mocking your system of beliefs, but they are rather outdated. Have you no eyes to see your vain liberties and your righteous pontifications are nothing before us? You can only do what we say you can do. We remove presidents when we are ready and the leader we set up will be there until it serves us to have another.

At that time we place our proposed leader before you and you vote for what we want. In that way we give you the vain voting exercise in the belief you had something to do with placing your president in office.

We use the nations for what we want to use them for. Everyone knows that they must yield to us or die. Fortunately, we have had a few resisters such as Saddam and Milosevic that have been helpful in showing the world leaders what we will do to them if they do not submit.

There is only glory in following our purposes and doing what we say. If one does not, there will be such a sad and tragic result. I would really have you spared of such an end. But, then, again, if you are not spared, it is of no consequence to us. We will use you to alleviate some of the overpopulation problem.

YOUR SILLY REBELLION AGAINST OUR DOMINION

Some of you have thought you could stop us by placing a bomb in one of our abortion clinics or in a government building. Silly souls! How can that hurt us?

All that does is give us an example to use so that we might place more controls and heavy burdens on the population. We love it when you rebel and blow something up. You are our reason for making more laws against all those things which might contribute to your freedom from us. If someone did not blow something up on occasion, we would have no justification in placing more hedges about you. Can't you see how impossible it is for you to resist us? The more you wriggle, the more we squeeze.

Our kingdom is the kingdom of money. Excuse me, but I must confess that we are the rulers of the kingdom of non-money. You must see the humour in that statement. We have given you a piece of paper or some numbers on a computer screen that we have termed money. It is backed up by nothing and proven by nothing but what we say it is. We create it from nothing, we print it, we loan it, we give it its value, we take its value away. All things that have to do with money are in our hands. Think of it, what is it that

you can do against us without money? If you try to resist, we can cancel your credit or freeze your accounts. Your cash is easily confiscated. We have made so many rules in the realm of living that you cannot live without money.

Camp on government land and you must move in two weeks. You cannot grow much of a garden in two weeks. Many of our wilderness trails are entered by permit only. We have passed laws that do not allow you to live in trailers over a certain period without moving to another location. Have you not thought it ridiculous that we will allow a man to live in a box full time but we will not allow a man to live in an RV full time unless he is in a taxpaying campground?

OUR UNFATHOMABLE MYSTERIES

Our recent war in Serbia has many purposes to it but we do not speak of these things openly. We let the talk show hosts blather all sorts of nonsense but none of it touches the core. First of all, there is a wealth of natural resources in Kosovo that we must have complete control of. Kosovo has large supplies of uranium in its soil and uranium is very helpful to our regime. Also, it suits us to keep all such minerals out of the hands of potential enemies.

Milosevic has not been helpful in giving those resources into our hands so we simply make things difficult for him until he does. Even now victory over Yugoslavia is imminent.

We are reducing that proud nation to the level of humility we require from all people. After the war, if Mr. Milosevic does not sufficiently humble himself, we will take him to the world court charged with war crimes. We made up that term; rather ingenious, don't you think? How could there be such a thing as a war crime? The very nature of war is that the rules are off. It is so entertaining to watch the nations try to fight war according to the laws we have placed before them. The only war crime there really is only involves the crime of being against us. Anyone against us is violating our law. As you have seen when someone is for us we do not care what they do. Was not Nelson Mandela a bomb-toting terrorist who killed many of his enemies? We made a hero of him.

We observe no laws when it comes to war. We do what we want, when we want and where we want. We can starve nations to death, we can ruin civilians and any other horror for which we would take our enemies to court. Look at our example.

We bomb Serbia out of its wits, bomb Kosovans out of their homes, poison their rivers and streams, turn off their electricity making a grand crisis in that country, and then we masterfully make it appear it is all Mr. Milosevic's fault and he needs to go to court for it. It is the same way we made our inferno at Waco look like Mr. Koresh's fault. Then there was our chief villain, Saddam with all of his weapons of mass destruction. Bad men are a dime a dozen and we can conjure one up whenever it suits us. This is really quite funny when you think of it. I am not one who is usually given to humour, but I do catch

myself laughing sometimes at the absolute absurdity of the notions we place before you and you readily accept.

Do you wonder that the leaders of the world tremble at our presence? They know they have no power except the power we give them. We have no fear of Russia or China for we are already in full control of their system of things. China knows that we can freeze any number of its corporations in America and all of its capital at the stroke of a pen.

We want you to be in the system. When you are buying a house, we not only receive the tax revenue to use for our purposes, but we gain large increases from the interest on the loan. You may pay for your house two or three times over from the interest alone. The interest is also taxed which is again placed for use in those sectors of influence we choose.

We do not want you to escape free and that is why we have made it as we have. You are our property. We will not permit you to buy or sell unless you submit to our mark of authority*. If you go to court against us, we will wear you out there and in the end you will lose. If you use violence, we will end up having you in one of our labour camps, more specifically called prison industries. You need our money, our entertainments, our fuel, and our utilities to function and if you don't have them, you feel deprived. By this, you are made to yield to our will.

THE BROTHERHOOD AND THE MANIPULATION OF SOCIETY

by Ivan Fraser and Mark Beeston

<http://www.theforbiddenknowledge.com/manipulation/index.htm>

The situation within the hierarchy of the Elite is necessarily complex as the activities are concealed behind a large number of front organisations of varying degrees of secrecy. Everything is based upon the pyramid principle with the very few Elite at the apex as the All-Seeing-Eye and ultimate controllers right down to those at the bottom who, in the largest numbers, have no idea about the true agenda which is being ministered to them from above. Through the levels of initiation from the bottom to the top, only the most ambitious and ruthless are filtered out to occupy more and more select positions of power and knowledge of the ultimate agenda. This is further enforced at each step of the pyramid by the process of **COMPARTMENTALISATION** which is the operation of the 'need to know' principle; this way even those upon the same level of the pyramid know very little of their fellow initiate's business and role within the overall plan. The vast majority of people working to further the Elite's aims of a New World Order, do so unknowingly but others whose names constantly recur will have a pretty good idea of what is happening.
