RE: Brunson v. Alma S. Adams et al, 22-380

December 14, 2022

Dear Justices,

This letter is to express my support of the above referenced case. I am concerned the United States has experienced a national security breach and a violation of every citizen's greatest power in a Republic: voting. I ask that you stand against the adherence of foreign and domestic enemies and uphold the supreme law of the land by granting this petition. You truly are in a position that represents a court system greater than the world has ever seen.

I, along with many others, seem to be witnessing our nation being captured and I am left to wonder if it might be by some of these very respondents. I pray for the right and just outcome and I am grateful for your time and consideration.

Sincerely,

PS -I am grateful for your courage to overturn Roe v. Wade.

PS - The price of gasoline, groceries, and my energy bill is alarming. Please help!

PS - This case would oblivate the unconstitutional J6 committee. We owe an apology and restitution to those who are wrongfully in prison.

PS - I am very concerned about the border crises and illegal immigration.

PS - NO to taxation without representation.

PS - These legislators violated their constitutional oath of office and did not do their job.

PS - I feel this is a two-tiered justice system, our institutions have been weaponized.

PS - Merry Christmas, may you and your family be blessed.

"Godspeed Supreme Court Justices; my prayers are with you."
